COMPANY OVERVIEW

Bayshore Construction Company, LLC is a licensed, bonded, and insured general contractor providing construction and site-improvement services to federal, state, and local government customers. Bayshore emphasizes safe execution, code compliance, schedule control, cost management, and complete project documentation.

CORE CAPABILITIES

- **Roofing Services:** Installation, maintenance, and replacement of asphalt-shingle, metal, EPDM, and TPO systems, with certified inspections and warranty-backed performance.
- **Flooring Installation:** Commercial tile, LVP, VCT, carpet, and epoxy coatings for high-traffic public facilities.
- **Concrete Construction:** Sidewalks, ADA-compliant ramps, curbs, flatwork, pads, and structural foundations.
- **Facility Renovations:** ADA-focused interior and restroom renovations, including demolition, plumbing, electrical, waterproofing, finishes, and fixtures.
- **Landscaping and Site Improvements:** Grading, sod, irrigation, hardscaping, retaining walls, and vegetation management for public properties.
- **Project Controls:** CPM scheduling, progress documentation, quality control, subcontractor coordination, and closeout support.
- **Electrical and Other Wiring Installation:** Low-voltage and network cabling.
- **Security Systems Services (except Locksmiths):** CCTV installation.
